Section 3. Management of Property. The Board may but shall not be required to engage the services of an agent (herein sometimes referred to as the "Managing Agent") to maintain, repair, replace, administer, and operate the property, or any part thereof, to the extent deemed advisable by and at the direction of the Board. While Developer owns any of the Units and until each Unit sold by it is occupied by the Purchasers, Developer and its employees may use and show one (1) or more of such unsold or unoccupied Units as a model Unit or Units and may use one (1) or more of such unsold or unoccupied Units as a sales office and may maintain customary signs in connection therewith.

Section 5. Additional Properties. Without further assent or permit, Developer hereby reserves the right, exercisable from time to time, to subject all or part of real property contiguous to the Property and Association (the "Additional Properties") to the restrictions set forth herein in order to extend the scheme of this Master Deed to such Additional Properties to be developed as part of the Development and thereby to bring such Additional Properties within the jurisdiction of the Association.

Section 6. Supplementary Declarations. The additions herein authorized shall be made by filing of record one or more Supplementary Declarations in respect to the creation of additional Units or the addition of other properties to be then subject to this Master Deed and which shall extend the jurisdiction of the Association to such property and thereby subject such addition to assessment for its just share of the Association's expenses.

Section 7. Non-Liability of Directors and Officers. To the extent permitted by law, neither the directors nor officers of the Association shall be personally liable to Unit Owners for

any mistake of judgment or for any other acts or omissions of any nature whatsoever as such directors or officers, except for any acts or omissions found by a court to constitute gross negligence or fraud. Unit Owners shall indemnify and hold harmless each of the directors and officers and their respective heirs, executors, administrators, successors and assigns in accordance with the provisions of Article VII of the By-Laws.

Section 8. Board's Determination Binding. In the event of any dispute or disagreement between any Unit Owners relating to the Property, or any questions of interpretation or application of the provisions of this Master Deed or By-Laws, the determination thereof by the Board shall be final and binding on all Unit Owners.

Section 10. Use of the Common Elements. Each Unit Owner shall have the right to use the Common Elements (except the Limited Common Elements and Private Elements) in common with the other Unit Owner, as may be required for the purposes of access, ingress to, egress from, use, occupancy and enjoyment of the respective Unit owned by such Unit Owner. Such right to use the Common Elements shall extend not only to each Unit Owner, but also to his agent, servants, tenants, occupants, family members, customers, invitees, and licenses. However, each Unit Owner shall have the right to the exclusive use and possession of the Limited Common Elements contiguous to and serving such Unit alone or with adjoining Units. Such rights to use Common Elements, including the Limited Common Elements, shall be subject to and governed by the provisions of the Act, Master Deed, By-Laws, and rules and regulations of the Association. In addition, the Association shall have the authority to lease, grant concessions or grant easements with respect to parts of the Common Elements, subject to the provisions of this Master Deed and By-Laws. All income derived by the Association from leases, concessions or other sources shall be held and used for the benefit of the members of the Association, pursuant to such rules, resolutions and regulations as the Board may adopt or prescribe.

Section 11. Security. Each Owner and occupant of a Unit, and their respective guests and invitees, shall be responsible for their own personal safety and the security of their property in the Properties. The Association may, but shall not be obligated to, maintain or support certain activities within the Properties designed to make the Properties safer than they otherwise might be. Neither the Association nor the Board, any officer, committee, the property manager or any agent of the Association shall in any way be considered insurers or guarantors of security within the Properties, nor shall any of them be held liable for any loss or damage by reason of failure to provide adequate security or ineffectiveness of security measures undertaken. No representation or warranty is made that any security system or measure, including any mechanism or system for limiting access to the Properties, cannot be compromised or circumvented, nor that any such system or security measure undertaken will in all cases prevent loss or provide the detection or protection for which the system is designed or intended. Each Owner acknowledges, understands and covenants to inform its tenants and all occupants of its Home that the Association, its Board of Directors and committees, Declarant, and any successor Declarant are not insurers and that each person using the Properties assumes all risks of personal injury and loss or damage to property, including Home and the contents of Home, resulting from acts of third parties.

Section 12. Acceptance of Development. By the acceptance of a deed to a Unit, whether or not it shall be so expressed by such deed, any purchaser of a Unit shall be deemed to have accepted and approved the entire plans for the Property and all improvements constructed by that date, including, without limitation, the utilities, drains, roads, landscaping, fences, gates, decorative masonry, or landscaping, and all other improvements as designated on the Plat and as may be supplemented by additional Plats upon the extension of the Master Deed to the Additional Properties. Except for its responsibilities as a Unit Owner, as provided herein, Developer shall not have any responsibility for the maintenance, repair or replacement of any part of the Common Elements after the date when Class B voting membership, as defined hereinabove, shall cease; provided, however, in the event Developer expends any of its own funds for the repair, replacement or maintenance of any of the Common Elements or insulation, Developer shall be entitled to a credit for such sums against any common expenses Developer might be required to pay by virtue of being a Unit Owner. If any Unit Owner shall fail to make such payment of assessments for common expenses when due, the amount thereof, together with any reasonable late charge established by the Board, interest at the rate of Fifteen (15%) percent per annum, and reasonable attorney’s fees after said assessments become due and payable, shall constitute a continuing lien on the Unit against which the assessment is made, as provided in the Act. No notice of lien other than this Master Deed need be recorded to establish the validity of any such lien, and this Master Deed shall stand as notice thereof. Each Unit Owner shall be personally liable for his portion of each assessment made, together with any reasonable late charge established by the Board, interest at the rate of Fifteen (15%) percent per annum, and reasonable attorney’s fees while he is the owner of a Unit; however, said personal obligation shall not pass to successors in title unless

assumed by them or as required by Tennessee Code Annotated Section 66-27-101 et seq.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of the residents in the properties, for the improvements, insurance and maintenance of amenities of the Common Elements, and to maintain an adequate reserve fund to provide for necessary repair and/or replacement of improvements to such Common Elements.

Section 3. Maximum Annual Assessment.

(a) From and after the year immediately following the conveyance of the first Unit to an Owner, the maximum annual assessment may be increased each year not more than Fifteen (15%) percent above the maximum assessment for the previous year without a vote of the membership.

(b) From and after the year immediately following the conveyance of the first Unit to an Owner, the Declarant reserves the sole right to increase the annual assessments as necessary to meet the actual expenses of the Association. Upon sale of all Units to Owners, the maximum annual assessment may be increased above Fifteen (15%) percent by a vote of two-thirds (2/3) of the total allocated votes in the Association who are eligible to vote and who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement which is a part of the Common Elements, including fixtures and personal property related thereto. No such special assessment shall require a vote of the Owners, but the Board shall obtain no less than two (2) and no more than three (3) bids in writing from contractors for such construction, reconstruction, repair or replacement of a capital improvement. The Board shall approve the contractor to complete the capital improvement which in the Board's business judgment, is in the best interest of the Association, and shall maintain a copy of all such bids, whether chosen or not, in the business records of the Association.

Section 5. Notice for Any Action Authorized Under Sections 3. Written notice of any meeting called for the purpose of taking any action authorized under Section 3 shall be sent to all Members (and Eligible Mortgage Holders, if applicable) not less than thirty (30) calendar days nor more than sixty (60) calendar days in advance of the meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Units. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Unit at least thirty (30) business days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the association setting forth whether the assessments on a specified Unit have been paid. A properly executed certificate of the Association as to the status of assessments on a Unit is binding upon the Association as of the date of its issuance.

Section 8. Working Capital. Each Unit Owner acquiring title to his Unit, whether from the Declarant or other Owner, shall pay a non-refundable deposit at time of closing or other acquisition of title, to the Association in order to establish a working capital fund for unforeseen and necessary expenses of the Association. Said deposit shall be in an amount established by the Board equaling no more than six (6) months' of annual assessments for common expenses.

Section 9. Mortgage and Deed of Trust Protection.

- (a) The lien for assessments payable by a Unit Owner shall be subordinate to the lien of a recorded first Mortgage or first Deed of Trust on the interest of such Unit Owner, except for the amount of the proportionate share of common expenses which become due and payable from and after the date on which the Mortgagee or Beneficiary thereunder either takes possession of the Unit encumbered thereby, accepts a

conveyance of any interest therein (other than as security), forecloses its Mortgage or Deed of Trust or as otherwise provided in the Act. This subparagraph shall not be amended, changed, modified, or rescinded without the prior written consent of all Mortgagees and Beneficiaries of record.

- (b) Lien upon Foreclosure Proceeds. Upon the foreclosure of a first mortgage or deed of trust, the foreclosure and the sale shall be subject to the Association's lien created herein, and the Association shall have a lien upon and be entitled to proceeds from the foreclosure sale to satisfy the lien for common expenses and assessments which would have become due in the absence of acceleration during the six (6) months immediately preceding institution of such foreclosure, but not exceeding one percent (1%) of the maximum principal indebtedness of the lien secured by the first mortgage or deed of trust.

Section 10. Mortgages. Each Unit Owner shall have the right, subject to the provisions herein, to mortgage his Unit together with his respective ownership interest in the Common Elements. No Unit Owner shall have the right or authority to mortgage or place a lien on the property or any part thereof, except to the extent of his own Unit, its Limited Common Elements, and its appurtenant interest in the Common Elements.

Section 11. Separate Real Estate Taxes. Real estate taxes shall be separately taxed to each Unit Owner for his Unit, its Limited Common Elements and its appurtenant interest in the Common Elements, as provided in the Act. In the event that such taxes for any year are not separately taxed to each Unit Owner, but rather are taxed on the property as a whole, then each Unit Owner shall pay his proportionate share thereof in accordance with his respective share of ownership interest in the Common Elements, and, in said event, such taxes shall be a common expense.

Section 12. Effect of Delinquent and/or Nonpayment of Assessments: Remedies of the Association.

- (a) The obligation to pay Assessments is a separate and independent covenant on the part of each Owner, and each Owner, by acceptance of his or her deed or recorded contract of sale, is deemed to covenant and agree to pay these Assessments. No diminution or abatement of Assessment or set-off shall be claimed or allowed by

reason of any alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Master Deed or the Bylaws, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Association, or from any action taken to comply with any law, ordinance, or with any order or directive of any municipal or other governmental authority. No sale or transfer shall relieve such Unit or Unit Owner from liability for any assessments thereafter becoming due or from the lien thereof

- (b) Non-Judicial Lien Foreclosure. For and in consideration of the privileges, protections, mutual enjoyment and use of the Common Area and the premises contained herein and the sum of One (\$1.00) Dollar, the receipt and sufficiency of which are hereby acknowledged, and rendering judicial foreclosure unnecessary, the Unit Owners jointly and severally for themselves, their heirs, personal representatives, executors, administrators, successors and assigns (the "Trustors"), shall, by their acceptance of a deed to their Unit, be deemed to have transferred and conveyed unto the Association as Trustee, its successors in trust and assigns, their respective Units and corresponding interests in the Common Elements respectively, together with the appurtenances, estate, title and interest thereto belonging, for the purpose of securing payment of their share of the common expenses and all other assessments thereon, whether common, annual or special, when due. If the Trustors shall pay their share of the common expenses and all other assessments, common, annual or special when due, then this trust conveyance shall be of no further force or effect. But if said indebtedness, or any part thereof, is not paid promptly when due, this trust conveyance shall remain in full force and effect, and the said Trustee, or its successor in trust, is hereby authorized and empowered, upon giving twenty (20) days' notice by three (3) publications in any newspaper, daily or weekly, published in Rutherford County, Tennessee, to sell the respective Units and corresponding interests in the Common Elements at the front door of the Courthouse in Rutherford County to the highest bidder for cash at public outcry, free from the statutory or

equitable right of redemption, homestead, dower, distributive share and all other rights or exemptions of every kind, which are hereby expressly waived; and the said Trustee, or its successor in trust, is authorized and empowered to execute and deliver a deed to the purchaser. The Association may bid and purchase at any sale under this trust conveyance. The Trustee may, at any time after default in the payment of any of said indebtedness, enter and take possession of the respective Unit and shall only account for the net rents actually received by it. It is further agreed that, in the event the Trustee fails, before selling the respective Unit, to enter and take possession thereof, the purchaser shall be entitled to immediate possession thereof upon the delivery to him by the Trustee of a deed therefore

In case of sale hereunder, the proceeds will be applied by the Trustee as follows:

First, to the payment of all costs, charges and expenses of executing this trust conveyance and enforcing said line as herein provided, including reasonable attorney's fees;

Second, to the payment of all unpaid taxes with respect to such Unit; and

The Association may, at any time and from time to time, by instrument in writing, substitute and appoint a successor or successors to the Trustee, which instrument executed, acknowledged and recorded in the Register's Office for Rutherford County, Tennessee, shall be conclusive proof of the proper substitution and appointment of such successor Trustee. Said successor Trustee shall have all the right, title and estate, powers, duties and privileges of the predecessor Trustee, without the necessity of any conveyance from such predecessor Trustee, and the Trustee shall have the right and power to postpone any such sale to a future date by announcement of such postponement and future date at the date scheduled for the sale, and without the requirement of re-publishing notice of such postponed sale.

ARTICLE V

ARCHITECTURAL CONTROL

Section 1. Improvements. No building, fence, wall or other structure(s) shall be commenced, erected or maintained upon the properties, nor shall any exterior addition or improvements to or change or alteration (including painting or re-painting) therein be made until the plans and specifications showing the nature, kind, shape, height, materials, color, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Developer, the Board of Directors of the Association, or by an Architectural Review Committee (“ARC”) composed of three (3) or more representatives appointed by the Board. All matters submitted to the Board of Directors or the ARC shall be decided and announced in writing within forty-five (45) business days after submission by the Owner or builder. Failure of the Board or ARC to approve or deny submissions in writing within forty-five (45) business days, shall be deemed a denial of such submission and shall require that such request be resubmitted for consideration. (This Article shall not be intended to apply to improvements and/or construction made by Declarant under its development plan for the properties).

Section 2. Architectural Review Committee Membership. The Architectural Review Committee shall be composed of either three (3) or five (5) representatives appointed by the Board. The Developer shall serve as the ARC until control of the Association is turned over to the Association. Thereafter, the Board, at its discretion, may serve as the ARC.

The ARC shall have the right to disapprove any plans submitted hereunder because of failure to comply with any restrictions contained herein, failure to include any information required herein, objection to exterior design, or such other matters which would render the proposed structure or use thereof inharmonious with the structures located upon other Lots and improvements within the Association.

ARTICLE VI

INSURANCE

Section 1. Insurance.

- (a) The Board shall obtain insurance for the full insurable replacement cost of the Common Elements, if any, against such other hazards and for such amounts as the Board may deem advisable. Insurable replacement cost shall be deemed the cost of restoring the Common Elements, or any part thereof, to substantially the same condition in which they existed prior to damage or destruction. Such insurance coverage shall be written in the name of, and the proceeds thereof shall be payable to, the Board, as the Trustee for the Unit Owners in proportion to the Unit Owners' respective percentages of ownership in the Common Elements, as set forth in this Master Deed, and for the holders of mortgages on the Units, if any. The policy of insurance should also contain, if possible, a waiver of subrogation rights by the insurer against the Unit Owners. The premiums for such insurance shall be a common expense. However, at the option of the Board and/or Unit Owners, premiums for such insurance may be separately billed to Unit Owners in equal shares. The deductible shall be paid by the party who would be liable for the loss of repair in the absence of insurance and in the event of multiple parties shall be allocated in relation to the amount each party's loss bears to the total.
- (b) In the event of damage to or destruction of any Common Elements as a result of any casualty covered by insurance proceeds, the Board shall, in its sole and absolute discretion, determine and without intervention of any Unit Owner, arrange for the prompt repair and restoration of the damaged portions of the Common Elements substantially in accordance with the original plans and specifications therefore. Where the insurance indemnity is insufficient to cover the cost of such repairs and restoration, the deficit shall be paid by all Unit Owners with each Unit Owner to bear an equal proportion thereof. The insurance indemnity shall be delivered pro-rata to the Unit Owners entitled to it in accordance with the applicable provisions of the By-Laws or in accordance with a decision all of the Unit Owners if no By-Law provisions are applicable.

- (c) The Board shall also obtain comprehensive public liability insurance, in such amounts as it deems desirable, and workmen's compensation insurance and other liability insurance in such amounts as it deems desirable, insuring each Unit Owner, mortgagee of record, the Association, its officers, directors, and employees, Developer, and the Managing Agent, if any, from liability in connection with the property. The premiums for such insurance shall be a common expense. However, at the option of the Board and/or Unit Owners, premiums for such insurance may be separately billed to each Unit Owner with each Unit Owner to bear a proportion thereof based upon his percentage of ownership in the Common Elements. The Board shall retain in safekeeping any such public liability policy for six (6) years after the expiration date of the policy.
- (d) The Board shall also obtain Fidelity Coverage covering officers, directors and employees who handle or are responsible for handling Association funds. Such bonds shall be in such amounts as the Board may determine, but in no event less than the maximum amount of funds that will be in the custody of the Association (or its management company) at any time during the term of each bond and shall contain waivers of any defense based upon the exclusion of persons serving without compensation.
- (e) The Board may also obtain such other insurance as it deems desirable, in such amounts, from such sources and in such forms as it deems desirable, insuring the property and each member of the Board and officer of the Association, and each member of any committee appointed pursuant to the By-Laws of the Association, from liability arising from the fact that said person is or was a director or officer of the Association, or a member of such a committee. The Board shall require such fidelity bond coverage as necessary for any person or Board member handling Association funds. The premiums for such insurance and bonds shall be a common expense.
- (f) Each Unit Owner shall be responsible for obtaining his own insurance on his Unit, the contents of his Unit, the Limited Common Elements serving his Unit and Private Elements appurtenant to his Unit, as well as his additions and improvements thereto,

and those parts of the Unit for which the responsibility of maintenance and repair is that of the Unit Owner, and for decorations, furnishings, and personal property therein, and personal property stored elsewhere on the property, if any. In addition, in the event a Unit Owner desires to insure against his personal liability and loss or damage by fire or other hazards above and beyond the extent that his liability, loss or damage is covered by the liability insurance and insurance against loss or damage by fire and such other hazards obtained by the Board for all of the Unit Owners, if desired as part of the common expenses, as above provided, said Unit Owner may, at his option and expense, obtain additional insurance.

ARTICLE VII

MAINTENANCE, REPAIRS AND REPLACEMENTS

Section 1. Unit Owners Responsibility. Each Unit Owner, at his own expense, shall furnish and be responsible for all maintenance of, repairs and replacements to and within his Unit, its Limited Common Elements and the Private Elements appurtenant thereto. Except to the extent hereinafter set forth, maintenance of, repairs to and replacements within the Common Elements, if any, shall be the responsibility of and shall be furnished by the Association, and the cost thereof shall be part of the common expenses, subject to this Master Deed, the By-Laws, and Rules and Regulations of the Association. The expenses for the maintenance, repair or replacement of a Unit's Limited Common Elements and Private Elements (including but not limited to the water heater, furnace, air conditioner, heating, and air conditioning ducts, and plumbing and electrical wiring and other items serving only such Unit), shall be borne by the Owner of the Unit to which such Limited Common Elements and Private Elements are appurtenant; and, at the discretion of the Board, maintenance of, repairs to, and replacements within the other Limited Common Elements or Private Elements may be assessed in whole or in part to Unit Owners benefitted thereby. Further, at the discretion of the Board, the Board may direct Unit Owners who stand to be benefitted by such maintenance of, repairs to, and replacements within the Limited Common Elements and Private Elements to arrange for such maintenance, repairs and replacements in the name and for the account of such benefitted Unit

Owners, pay the cost thereof with their own funds, and procure and deliver to the Board such lien waivers and contractor's and subcontractor's sworn statements as may be required to protect the property from all mechanic's or materialmen's lien claims that maintain, repair, or replace the electrical wiring, plumbing, or other utilities of a Unit; however, if it shall become necessary to gain entry to another Unit, it shall be the responsibility of the Association to provide such maintenance, repair or replacement, but the cost of such maintenance, repair, or replacement may be assessed to the Unit Owners benefitted thereby, as hereinabove provided. Neither the Association nor the Board, the Managing Agent, employees, contractors, vendors or other parties engaged by the Board, shall be liable to any Unit Owner for trespass or damages should it become necessary for the Board to gain entry to any such Unit in accordance with the terms of this part.

Section 2. Repairs Necessitated by Neglect or Negligence. If, due to the act or neglect of a Unit Owner, or of his agent, servant, tenant, family member, invitee, licensee or household pet (whether intentional or unintentional), damage shall be caused to the Common Elements or to a Unit owned by others, or maintenance, repairs or replacements are required which would otherwise be a common expense, then such Unit Owner shall pay for such damage or such maintenance, repairs and replacements, as may be determined by the Board, to the extent not covered by the Association's insurance. The filing of a claim with the Association's insurance shall not be a prerequisite to any Unit Owner's liability for the payment of such damage, maintenance, repairs or replacements.

Section 3. Emergency Access. The authorized representatives of the Association, Board, or of the Managing Agent with approval of the Board, shall be entitled to reasonable access to the individual Units and its Limited Common Elements, as may be required, in connection with the preservation of any individual Unit's Limited Common Elements in the event of an emergency, or in connection with maintenance of, repairs to, or replacements within the Common Elements, Limited Common Elements, or any equipment, facilities or fixtures affecting or serving other Units, Common Elements and Limited Common Elements, or to make any alteration required by any governmental authority. Neither the Association nor the Board or such authorized representative, shall be liable to any Unit Owner for trespass or damages should

it become necessary for the Board to gain entry to any such Unit in accordance with the terms of this part.

Section 4. Alterations, Additions or Improvements. Except as otherwise provided herein, no alteration of any Common Elements, Limited Common Elements or Private Elements located on the exterior of any Unit, or any additions or improvements thereto, shall be made by any Unit Owner without prior written consent in accordance with Article V hereof. All requests to the Board for such improvements shall be in writing and include a description of the proposed improvement, its location, materials to be used, color if applicable and date such improvement will be commenced and when it is expected to be complete. The Board may authorize and charge as common expenses, any alterations, additions and improvements of the Common Elements as provided in the By-Laws.

Any Unit Owner may make alterations, additions or improvements within his Unit, including the Limited Common Elements located on the interior of his Unit and serving his Unit, without the prior written approval or consent of the Board or the Owner(s) of the adjoining Unit; however, any and all alterations, additions or improvements shall conform the common plan or scheme of the Regal Square development; and, shall comply with all local zoning and building code requirements at the time said alterations, additions or improvements are commenced and such Unit Owner shall be responsible for any damage to other Units, the Common Elements, the Property, or any part thereof, resulting from such alterations, additions or improvements.

Section 5. Decorating. Each Unit Owner, at his own expense, shall furnish and be responsible for all decorating within his Unit and Limited Common Elements serving his Unit, as may be required from time to time, including painting, wallpapering, washing, cleaning, paneling, floor covering, draperies, window shades, curtains, lighting, and other furnishings and decorating. Each Unit Owner shall be entitled to the exclusive use of the interior surfaces of the perimeter walls, floors and ceilings of his Unit, and such Unit Owner shall maintain said interior surfaces in good conditions at his sole expense, as may be required from time to time.

Section 6. Encroachments. If any portions of the Common Elements shall actually encroach upon any Unit or Limited Common Elements, or if any Unit or its Limited Common Elements shall actually encroach upon any portions of the Common Elements, or if any Unit shall actually encroach upon another Unit or its Limited Common Elements, as the Common

Elements, Limited Common Elements and Units are shown on the Plat(s), there shall be deemed to be mutual easements in favor of the owners of the Common Elements and the respective Unit Owners involved, to the extent of such encroachments, so long as the same shall exist.

ARTICLE VIII

USE AND OCCUPANCY RESTRICTIONS

Section 1. Residential Use or Residence. “Residence” shall mean the place where a Unit Owner or Occupant’s habitation is fixed and is where, during periods of absence, the Unit Owner or Occupant definitely intends to return. Each Unit shall be used as a residence or such other use permitted by this Master Deed, and for no other purpose, except that professional and quasi-professional people may use their residence (not in violation of municipal zoning laws) as an ancillary or secondary facility to an office established elsewhere. No Unit may be offered by its owner to the public at large for temporary transient accommodations; however, nothing in this Section shall prohibit Unit Owners from leasing their Units to others to be used as a residence. The foregoing restrictions as to residence shall not, however, be construed in such manner as to prohibit a Unit Owner from: (a) maintaining his personal professional library; (b) keeping his personal business or professional records or accounts; or (c) handling his personal business or professional telephone calls or correspondence. Such uses are expressly declared customarily incident to the principal residential use and not in violation of said restrictions.

In addition to the general use and occupancy restrictions recited herein, the Declarant, for the benefit of the Association, also establishes the following specific use and occupancy restrictions:

(a) Residential Use. No part of the Units, Limited Common Elements or the Common Elements, if any, may be used for purposes other than housing and the related common purposes for which the Unit was designed and as allowed by municipal zoning laws.

(b) Home Offices. Unit Owners and Occupants shall be permitted to conduct their primary occupation from the Unit, provided however, that no such primary occupation may require that clients, patients, agents, employees or other business related personnel are present

within Regal Square, and that the delivery of supplies, packages, merchandise and other deliveries are not required as a function or operation of the primary occupation.

(c) Improper Activities. No immoral, improper, unlawful or offensive activity shall be carried on in any Unit, Limited Common Elements or upon the Common Elements, if any, nor shall anything be done which may be or become an annoyance or a nuisance to the Owners or occupants of Units. A Unit Owner shall not do or permit anything to be done or keep or permit to be kept in his Unit, Limited Common Elements or on the Common Elements if any, that will increase the rate of insurance maintained by the Association.

(d) Signs. No Unit Owner shall display, hang, store, or use any sign, other advertising devices and/or other material ("Signage") outside his Unit, in a hallway, or elsewhere, which may be visible from the outside of his Unit, promoting commercial purposes or which shall be deemed offensive to Unit Owners or on the Common Elements, including "For Sale" signs, without the prior written approval of the Board. Any Unit Owner displaying any Signage which is offensive to Unit Owners, shall be removed within seven (7) calendar days after written request for removal from the said Unit Owner.

(e) Flags. All Unit Owners and occupants shall be permitted to display the flag of the United States of America and/or an official or replica flag of any branch of the United States armed forces, upon their respective Units. The display of such flags however, shall be subject to 4 U.S.C. §§ 5-10 and approval by the Declarant, Board or ARC in accordance with Article V of this Declaration as permitted by T.C.A. § 602(b). No other flags, banners or

(f) Parking Spaces. With the exception of emergency, first responder and other government owned vehicles required to be parked on streets, each Unit Owner and/or his Occupants shall park his vehicle(s) within the garage which is a part of the Limited Common Elements of his Unit. Guests, invitees, agents and licensees of Unit Owners and/or Occupants shall at all times, park their vehicles within the Limited Common Element driveway of the Unit to which they may be visiting. No truck (other than standard sized pickup trucks belonging to a Unit Owner or Occupant), bus, camper, boat, trailer or vehicle of any kind shall be left parked in the Common Area drive, in any street or private alley way, except for repair and or construction vehicles actually engaged in work on the Property or delivery vehicles temporarily parked on streets while making deliveries to a Unit. The Board may adopt Rules & Regulations for the

enforcement of parking, parking violations and vehicles within the Association and such Rules and Regulations may include fines, towing and/or booting of vehicles in violation. Neither the Association, nor the Developer, Board, and officer, committee, Managing Agent nor any agent, contractor, towing company or employee thereof shall be liable for trespass, theft or conversion for the towing or booting of any vehicle found to be in violation of this part or such Rules and Regulations.

(g) Pets. No animals, livestock or poultry of any kind shall be kept or maintained in any Unit, Limited Common Elements or in any part of the Common Elements except that no more than two (2) domestic dogs, or two (2) domestic cats or two (2) other usual and customary domestic household pets, or any combination of two (2) of any of these pets, may be kept or maintained provided that they are not kept or maintained for commercial purposes, and provided that they do not constitute a nuisance to the other Unit Owner(s).

(h) Antennae. No exterior radio, television, microwave, or other antennae shall be permitted outside any Unit except as expressly permitted by applicable law. Outdoor television and dish antennas may be installed if property screened and with the prior written approval of the ARC or Board, in accordance with Article V herein. Approval of such television and dish antennas shall not delay or prevent installation, maintenance or use; shall not unreasonably increase the cost of installation, maintenance or use; and shall not preclude reception of an acceptable quality signal.

(i) Obstruction of Common Elements. The Common Elements, if any, shall be used only by Unit Owners and their agents, servants, tenants, family members, customers, invitees, and licensees for access, ingress to, and egress from the respective Units and for such other purposes incidental to use of the Units. The use, maintenance and operation of the Common Elements shall not be obstructed, damaged or unreasonably interfered with by any Unit Owner, and shall be subject to any lease, concession or easement, presently in existence or entered into by the Board at some future time, affecting any part or all of said Common Elements.

(j) Exterior Accoutrement. Unless otherwise permissible in this Master Deed, the By-Laws or Rules and Regulations, no Unit Owner shall display, hang, store or use any clothing, sheets, blankets, laundry, flags, banners, signs or other articles outside of his Unit, or which may be visible from the outside of his Unit (other than draperies, curtains, or shades of a customary

nature and appearance, subject to the Rules and Regulations of the Association), or paint or decorate or adorn the outside of his Unit, or install outside his Unit any canopy or awning, or outside radio or television antenna, or C.B. radio transmitters, or other equipment, fixtures or items of any kind, without prior written approval of the Board.

(k) Structures. No structure of a temporary character, trailer, tent, shack, garage, barn, or other out-buildings shall be permitted on the Property at any time temporarily or permanently, except with the prior written consent of the Board; provided, however, that temporary structures may be erected for use in connection with the construction, repair or rebuilding of the Buildings or any portion thereof.

(l) Trash. Each Unit Owner shall be responsible for trash, recycling and rubbish removal services for all Units owned by such Unit Owner. Trash, garbage, recycling and other waste shall be kept only in trash, recycling and rubbish containers designed and used for such purpose and shall be disposed of in a clean and sanitary manner as may be prescribed from time to time by Rules and Regulations of the Association. Other than scheduled trash and recycling pick-up days, all such trash, garbage, recycling and other waste containers shall be stored inside of the garage appurtenant to each Owner's respective Unit unless otherwise approved in writing by the ARC or Board in accordance with Article V herein. The cost of trash, recycling and other waste disposal services shall be at the sole cost and expense of each Unit Owner.

(m) Storage. Articles of personal property belonging to any Unit Owner, such as baby carriages, bicycles, wagons, toys, furniture, clothing, and other articles, shall not be stored or kept in the Common Elements, but shall be confined to the units or storage areas within the units and/or its Limited Common Elements. Storage of boats, trailers, campers, and motor homes on the Property shall be subject to the Rules and Regulations of the Association applicable thereto.

(n) Leases.

- i. Occupancy Requirement. With the exception of the Landquestor, LLC, any affiliate, members, officers or subsidiaries of Landquestor, LLC, all Unit Owners shall own and occupy such Unit as the Owner's primary place of residence for the immediate twenty-four (24) consecutive months after the date of closing or other acquisition of title, as a prerequisite to being eligible to lease such Unit. The occupancy requirement herein may be satisfied only by the Owner whose

name appears on the deed or other instrument which vests fee simple title in such Owner's name. No agent, assignee or other person or entity affiliated with the Owner may occupy the Unit as a means of satisfying the twenty-four (24) month occupancy requirement herein.

- ii. Lease Requirements. Unit Owners who wish to lease their Unit shall provide a copy of the fully executed written lease agreement to the Association and/or its Managing Agent. Non-resident Unit Owners shall provide their forwarding address and phone number with area code to the Association and/or its Manager Managing Agent, and shall provide all contact information for the Unit Owner's Occupants who are above the age of eighteen (18) to be used in the event of emergency. All leases shall be for a term no less than one (1) year.
- iii. Leasing Cap and Restrictions. No more than twenty-five (25%) of the Units may be leased at any given time. No Unit shall be advertised and/or used as a vacation or seasonal rental through any service such as Vacation Rental By Owner ("VRBO") or Airbnb. No Unit shall be leased except in its entirety unless the Unit Owner also occupies such Unit as a primary residence.
- iv. Tenant and Occupant Liability. All tenants and/or Occupants of a Unit shall be subject to the provisions of this Master Deed, the By-Laws and any and all duly adopted Association Rules and Regulations as the same may be amended from time to time.
- v. The Association shall be considered a third-party beneficiary of all leases and subleases **for the limited purpose of** enforcing all lease terms and conditions in the event the Owner fails or refuses to do so.
- vi. Tenant/Occupant Violations. After the Master Deed and/or Rules and Regulations have been implemented as a measure and prerequisite to compel the tenant's or Occupant's compliance through the Unit Owner, should violations continue, the Association shall be entitled to file suit against such tenant or Occupant and Unit Owner for unlawful detainer, and the Association shall further be entitled to file Writs to seek possession of the Owner's Unit, and evict such tenant or occupant. All costs for such action, including reasonable attorneys' fees, shall be a

continuing lien and charge against such Owner's Unit, and be the personal obligation of such Owner.

(o) Fences. Written approval shall be obtained in accordance with Article V herein, prior to and as a prerequisite to the construction of any fence. The only acceptable fence materials shall be white vinyl and six (6) feet in height. Approved fences shall only be constructed and located between adjacent Units and the street. The boundaries of all fences shall extend no further than the rear corners of the Unit and shall not be constructed upon Common Area. Fences may be constructed upon easements appurtenant to a Unit, but the Unit Owner shall bear the cost of replacement of such portion of fence should it be removed as necessary to provide access to such easement by the Association, public utility or governmental entity.

ARTICLE IX

REMEDIES

Section 1. Remedies. In the event of any violation of the provisions of the Act, this Master Deed, By-Laws, or Rules and Regulations of the Association by any Unit Owner and/or his Occupants (either by his own conduct or by the conduct of any Occupant of his Unit or of his invitees, licensees and/or agents), the Association, or its successors or assigns, shall have each and all of the rights and remedies which may be provided for in the Act, this Master Deed, By-Laws, or said Rules and Regulations, or which may be available at law or in equity, and may prosecute an action or other proceedings against such defaulting Unit Owner and/or Occupants by enforcement of any lien and the appointment of a receiver for the Unit and ownership interest of such Unit Owner, or for damages or injunction or specific performance, or for judgment for payment of money and collection thereof, or the right to take possession of the Unit and to sell the same as provided herein, or for any combination of remedies, or for any other relief. All expenses of the Board in connection with any such actions or proceedings, including court costs and attorney's fees and other fees and expenses and all damages, liquidated or otherwise, together with interest thereon at the rate of Fifteen (15%) percent per annum or such other uniform lawful rate as the Board shall determine, until paid, shall be charged to and assessed against such defaulting Unit Owner and/or his Occupants, and shall be added to and deemed part of his respective share of the common expenses, and the Board shall have a lien for all of the same, as

well as for nonpayment of common expenses, upon the Unit, and its appurtenant interest in the Common Elements and Limited Common Elements of such defaulting Unit Owner and upon all of his additions and improvements thereto and upon all of his personal property in his Unit or located elsewhere on the property; provided, however, that such lien shall be subordinate to the lien of a recorded first mortgage or deed of trust on the Unit, to the extent set forth in this Master Deed. In the event of any such default by any Unit Owner and/or Occupant, the Board and the Manager or Managing Agent, if so authorized by the Board, shall have the authority to correct such default, and to do whatever may be necessary for such purpose and all expenses in connection therewith shall be charged to and assessed against such defaulting Unit Owner and/or Occupant. Any and all such rights and remedies may be exercised at any time and from time to time, cumulatively or otherwise, by the Board. This Paragraph shall not be amended, changed, modified or rescinded without the prior consent of all holders of record of mortgage and deed of trust liens against the Units.

The violation of any restriction or condition or rule and regulation adopted by the Board or the breach of any covenant or provision herein contained, shall give the Board the right, in addition to any other rights provided for in this Declaration: (a) to enter (either peaceably or forcibly without liability to such Unit Owner for such entry) upon the Unit, or any portion of the property upon which or as to which such violation or breach exists, and to summarily abate and remove, at the expense of the defaulting Unit Owner and/or Occupant, any structure, thing or condition that may exist thereon contrary to the intent and meaning of the provisions hereof, and the Board, or its employees or agents, shall not thereby be deemed guilty in any manner of trespass; or (b) to enjoin, abate or remedy by appropriate legal proceedings, either at law or in equity, the continuance of any breach; or (c) to take possession (either peaceably or forcibly without liability to such Unit Owner and/or Occupant for such entry) of such Unit Owner's interest in the property and to maintain an action for possession of such Unit in the manner provided by law.

If any Unit Owner and/or Occupant (either by his own conduct or by the conduct of any other Occupant of his Unit) shall violate the Act, or any of the covenants or restrictions or provisions of this Master Deed, the By-Laws, or the regulations adopted by the Board, and if such default or violation shall continue for ten (10) days after notice to the Unit Owner and/or

Occupant in writing from the Board, or shall occur repeatedly during any ten (10) day period after such written notice or request to cure such violation from the Board, then the Board shall have the power to issue to said defaulting Owner and/or Occupant a notice in writing terminating the rights of said defaulting Owner and/or Occupant to continue as a Unit Owner and/or Occupant and to continue to occupy, use, or control his Unit, and thereupon an action in equity may be filed by the Board against said defaulting Owner for a decree of mandatory injunction against such defaulting Owner, or in the alternative, for a decree declaring the termination of said defaulting Owner, right to occupy, use, or control the Unit owned or occupied by him on account of said violation, and ordering that all the right, title and interest of said defaulting Owner in the property shall be sold (subject to the lien of any existing deed of trust or mortgage) at a judicial sale upon such notice and terms as the court shall determine, except that the court shall enjoin and restrain the said defaulting Owner from reacquiring his interest at such judicial sale. The proceeds of any such judicial sale shall first be paid to discharge court costs, court reporter charges, reasonable attorney's fees, and all other expenses of the proceeding and sale, and all such items shall be taxes against said defaulting Unit Owner in said decree. Any balance of proceeds, after satisfaction of such charges and any unpaid assessments hereunder, or any liens, shall be paid to said defaulting Unit Owner. Upon the confirmation of such sale, the purchaser shall thereupon be entitled to a deed to the Unit and the Unit Owner's corresponding percentage of ownership in the Common Elements, and to immediate possession of the Unit sold and may apply to the court for a writ of assistance for the purpose of acquiring such possession, and it shall be a condition of any such sale, and the decree shall so provide, that the purchaser shall take the interest in the Unit Ownership sold subject to this Declaration. As provided in Article VIII, Section 1(n) above, in the case of any violation of this Declaration, the By-Laws, Rules and Regulations or the Act, by the Owner's Occupant or Tenant, the Association, by and through its Board, shall have the right to file a Detainer Warrant against the violating Occupant or Tenant to terminate the lease, and shall have the power to file a Writ to remove the Occupant or Tenant after the award of any judgment for same and expiration of any time for appeal.

Any such annexation shall be effective upon recording in the Register of Deeds unless otherwise provided therein.

ARTICLE XII
DECLARANT'S RIGHTS

(a) Any or all of the special rights and obligations of Declarant set forth in this Master Deed or the By-Laws may be transferred to other Persons, provided that the transfer shall not reduce an obligation nor enlarge a right beyond that contained in this Master Deed or the By-Laws. The prevailing party in any such action for the enforcement of this Declaration shall be entitled to all costs, post judgment interest at ten percent (10%) per annum, and reasonable attorney's fees incurred.

Section 2. Self Help. All Owners grant to Declarant and thereafter to the Association, the right to take any action required to bring the Owner and/or or any tenant or occupant into compliance with any violation of this Master Deed, the By-Laws or Rules and Regulations if, after ten (10) business days' written notice to the Owner, the Owner has failed and/or refused to bring such violation into compliance and in doing so, neither the Declarant nor the Association, the Board, community manager or their agents shall be subject to any liability or criminal action for trespass, destruction of property, or other tort.

Section 3. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect any other provisions which shall remain in full force and effect.

Section 4. Amendments. The covenants, conditions and restrictions of the Master Deed shall run and bind the land, for a term of twenty (20) years from the date of recording, after which time it shall be automatically extended for successive periods of ten (10) years. The Master Deed may be amended by the Developer without a vote from the Unit Owners at any time while Class "B" voting membership exists as a part of the Special Declarant Rights as defined herein. Thereafter, this Master Deed may be amended by the Unit Owners at any time, by an instrument signed by not less than sixty-seven (67%) percent of the members eligible to vote. Any amendment to the said Master Deed must be recorded at the Rutherford County, Tennessee Register of Deeds, and shall be subject to Section 5 below.

Any proposed amendment to this Master Deed shall require written notice of the proposed amendment to be delivered to members of the Association in writing at least fifteen (15) calendar days prior to any meeting at which the subject amendment will be considered.

Section 5. Amendments of a Material Nature. Must be agreed to by members who represent sixty-seven (67%) percent of the members eligible to vote. In addition thereto, approval must be obtained from eligible mortgage holders who represent a majority of Units that are subject to mortgages held by eligible holders (eligible mortgage holders shall be defined as

those holders of a first mortgage on a Unit who have requested the Owners' Association to notify them on any proposed action that requires the consent of a specified percentage of eligible mortgage holders). A change to any of the following shall be considered under this section as material:

1. Voting Rights.
2. Assessments, assessment liens, or the priority of assessment liens.
3. Reserves for maintenance, repair and replacement of common areas.
4. Responsibility for maintenance and repairs.
5. Reallocation of interests in the common areas or right to their use.
6. Redefinition of Unit boundaries.
7. Conversion of Units into common areas or vice versa.
8. Insurance or fidelity bond changes.
9. Imposition of any restriction on a Unit Owner's right to sell or transfer his or her Unit.
10. A decision by the Owners' Association to establish self-management when professional management has been required previously by the projects documents or by an eligible mortgage holder.
11. Restoration and repair of the project (after a hazard damage or partial condemnation, in a manner other than specified in this Master Deed.
12. Any action to terminate the legal status of the Association after substantial destruction or condemnation occurs.
13. Any provisions that expressly benefit mortgage holders, insurers or guarantors.

However, if the Act, this Master Deed or the By-Laws require the consent or agreement of all Unit Owners or of all lien holders for any action specified in the Act or in this Master Deed, then any instrument amending any provision of this Master Deed with respect to such action shall be signed by all Unit Owners and/or all lien holders or both as required by the Act or this Master Deed. Any amendment shall be effective upon the recording of such instrument in the Office of the Register of Rutherford County, Tennessee; provided, however, that no provisions in this Master Deed may be amended so as to conflict with the provisions of the Act.

Section 6. Perpetuities and Restraints on Alienation. If any of the options, privileges, covenants, or rights created by this Master Deed shall be unlawful, void or voidable for violation of the rule against perpetuities, then such provision shall continue only until twenty-one (21) years after the death of the survivor of the now living descendants of the Governor of Tennessee

holding office as of the date of this Master Deed.

Section 7. Rights and Obligations. All Unit Owners, by the acceptance of a deed of conveyance, whether or not it shall be so stated in such deed, accepts the same subject to all restrictions, conditions, covenants, reservations, liens, and charges, and the jurisdiction, rights, and powers created or reserved by this Master Deed. All future Unit Owners and/or Occupants shall be subject to and shall comply with the provisions of this Master Deed, the By-Laws and Rules and Regulations adopted by the Board. Any restrictions or rules in the By-Laws which are more than administrative in nature such as, but not limited to, reservations and future rights of Developer are hereby incorporated into and made a part of this Master Deed by reference. All rights, benefits and privileges hereby imposed shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in said land and shall inure to the benefit of such grantee in like manner as though the provisions of this Master Deed were recited and stipulated at length in each and every deed of conveyance or contract for conveyance.

All present and future Unit Owners and/or Occupants of a Unit shall be subject to and shall comply with the provisions of the By-Laws appended hereto and recorded herewith, pursuant to Tennessee Code Annotated, § 66-27-111, as they may be amended from time to time. The acceptance of a deed of conveyance, devise, or lease to a Unit, or the entering into occupancy of any Unit shall constitute an agreement that the provisions of the By-Laws, and any rules and regulations promulgated thereunder, as they may be amended from time to time, are assumed, accepted and ratified by such Unit Owner and/or Occupant, and all of such provisions shall be deemed and taken to be covenants running with the land and shall bind any person having at any time any interest or estate in such Unit, as though such provisions were recited and stipulated at length in each and every deed, conveyance or lease thereof.

The terms and conditions of the Master Deed, By-Laws, and Rules and Regulations of the Association may be incorporated by reference in, and become part of, the agreement between any first mortgagee and any present or future Unit Owner who enters into such an agreement with a first mortgagee. When so incorporated, any default in the terms and conditions of this Master Deed, By-Laws, and rules and regulations may be considered by the first mortgagee as a default, whereupon said first mortgagee, after exercising its option to declare a default, shall then

have all of the rights and privileges arising as a result of a default under its agreement with said Unit Owner.

Section 8. Condemnation. In the event of a taking of part of the Common Elements in condemnation or by eminent domain, the award made for such taking shall be payable to the Association. If a majority of the Board in their sole and absolute discretion approves the repair and restoration of such Common Elements, the Board shall arrange for the repair and restoration of such Common Elements and the Board shall disburse the proceeds of such award to the contractors engaged in such repair and restoration in appropriate progress payments. In the event the Board does not approve the repair and commence restoration of such Common Elements within one hundred twenty (120) calendar days after taking by the public or private authority, the Board shall disburse the net proceeds of such award on the basis of such Unit's percentage of ownership in the Common Elements.

Section 9. Rights Reserved. Unit Owner's right of enjoyment in the Common Elements shall be subject to:

(a) The right of the Association, as provided in its By-Laws or Rules and Regulations, to suspend the enjoyment rights of any member for any period during which any assessment remains unpaid, and for such period as it considers appropriate for any infraction of its published Rules and Regulations;

(b) The right of the Association to charge reasonable fees for the use of any part or parts of the Common Elements;

(c) The right of the Association to diminish in any way or to dedicate or transfer all or any part of the Common Elements to any public agency or authority for such purposes and subject to such conditions as may be agreed to by the members entitled to vote thereon, provided that no such diminution or dedication or transfer or determination as to the purposes or as to the conditions thereof, shall be effective unless members of the Association entitled to cast both votes of the Association have agreed to such dedication, transfer, purpose, or condition;

(d) The right of Declarant, at its sole expense, to expand, or extend existing driveways, parking areas and yard, and to construct, expand, enlarge or relocate sewers, utility lines or service connections, in order to serve the existing Buildings; and,

(e) The right of the Association to grant such easements and rights-of-way to such utility companies or public agencies or authorities as it shall deem necessary for the proper servicing and maintenance of the Common Elements and the Units

Section 10. FHA/VA Approval. Should Developer secure mortgage underwriting approval from the Federal Housing Administration (FHA) and/or Veterans Administration (VA) and as long as there is a Class "B" membership, the following actions will require the prior approval of FHA and/or the VA: Amendment of this Master Deed (except for amendments pertaining to Developmental Phasing as provided in Article XI above) and/or annexation of additional properties (which additional properties are not part of nor described on Exhibit "B" hereto).

Section 11. Federal National Mortgage Association and/or Federal Home Loan Mortgage Corporation Regulations. Notwithstanding anything to the contrary contained in this Master Deed or in the By-Laws of the Association, all terms, conditions, regulations, insurance standards and other requirements which are now existing, or which may be amended from time to time by the Federal National Mortgage Association and/or the Federal Home Loan Mortgage Corporation pertaining to condominiums, are hereby incorporated as terms and conditions of this Master Deed and By-Laws and such shall be governing upon the Property, Developer, and the Association, so long as such terms or conditions are not inconsistent with the laws of the State of Tennessee as found in Tennessee Code Annotated § 66-27-101, et seq., as same may be amended from time to time.

Specifically, without limitation upon the foregoing, the following declarations shall be controlling over any terms of this Master Deed or By-Laws which are in conflict therewith. Any portions of this Master Deed or By-Laws which are in conflict with this paragraph, or any portion of the regulations of the Federal National Mortgage Association and/or the Federal Home Loan Mortgage Corporation pertaining to condominiums, are hereby deleted and the following rights of mortgagees are itemized as follows:

(a) A first mortgagee of a Unit at his request is entitled to written notification from the Association of any default by the mortgagor of such Unit in the performance of such mortgagor's obligations under this Master Deed, By-Laws, or any of the condominium documents, which is not cured within sixty (60) calendar days.

(b) Any first mortgagee of a Unit who comes into possession of the Unit pursuant to the remedies provided in the mortgage, or deed of trust, or by foreclosure of the mortgage or deed of trust, or by deed in lieu of foreclosure, shall take the property free of any claims for unpaid assessments or charges against the mortgaged Unit which accrue prior to the time such holder comes into possession of the Unit (except for claims for a pro rata share of such assessments or charges resulting from a pro rata real location of such assessments or charges to all Units including the mortgaged Unit).

(c) Unless both of the first mortgagees (based upon one (1) vote for each mortgage owned) of Units have given their prior written approval, the Association shall not be entitled to:

(i) Change the pro rata interest or obligations of any Unit for (a) purposes of levying assessments or charges or allocating distributions of hazard insurance proceeds or condemnation awards, and for (b) determining the pro rata share of each Unit in appurtenant real estate and any improvements thereon, which are owned by Unit Owners in undivided pro rata interests (Common Elements);

(ii) Use hazard insurance proceeds for losses to the property (whether to Units or Common Elements) for other than the repair, replacement or reconstruction of such improvements, except as provided by the Act, in case of substantial loss to the Units and/or Common Elements.

(d) First mortgagees shall have the right to examine the books and records of the Association.

(e) An adequate reserve fund for the replacement of Common Elements will be established and funded by regular monthly payments rather than by special assessments.

(f) As set forth in the Act, all taxes, assessments, and charges which may become liens prior to the first mortgage under the laws of the State of Tennessee shall relate only to the Unit and not to the property as a whole.

(g) No Unit Owner, or any other party, shall have priority over any rights of the first mortgagees of Units in the case of a distribution to Unit Owners of insurance proceeds or condemnation awards for losses to or a taking of Units and/or Common Elements.

(h) Any agreement for professional management of the property, whether it be by Developer, its successors and assigns, or any other person or entity, may be terminated with

cause, on ninety (90) days' written notice, and the terms of any such contract shall so provide and shall not be of a duration in excess of three (3) years.

(i) The Association shall give to the Federal National Mortgage Association, the Federal Home Loan Mortgage Corporation or any lending institution servicing such mortgages as are acquired by the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation, notice in writing of any loss to or the taking of Common Elements if such loss or taking exceeds Ten Thousand (\$10,000.00) Dollars.

(j) The interest of a first mortgagee in a mortgaged Unit shall be superior to the interests of any person, group, partnership, corporation, or entity of any kind, including any interest the Association, Developer, or any Unit Owner may have in any portion of the property, regardless of the nature of the interest or the manner in which it is acquired.

(k) Notwithstanding the above, any first mortgagee shall have all of the rights granted to a first mortgagee herein, and in addition shall have all of the rights granted to an institutional first mortgagee under its deed of trust, and under the laws of the State of Tennessee.

Section 12. Trustee as Unit Owner. In the event title to any Unit is conveyed to a trust, under the terms of which all powers of management, operation, and control of the Unit remain vested in the trust beneficiary or beneficiaries, then the beneficiaries thereunder shall be considered Unit Owners for all purposes and they shall be personally liable for payment of all obligations, liens or indebtedness and for the performance of all agreements, covenants and undertakings chargeable or created under this declaration against such Unit. No claim shall be made against any such title-holding trustee personally for payment of any lien or obligation hereunder created, but the trustee shall be obligated to sequester funds or trust property to apply in whole or in part for the payment and satisfaction of such lien or obligation. The amount of any such lien or obligation shall continue to be a charge or lien upon the Unit and the personal obligation of the beneficiaries of such trust, notwithstanding any transfers of the beneficial interest of any such trust or any transfer of title to such Unit.

Section 13. Notices. Unless otherwise permitted by the By-Laws, notices provided for in the Act, Master Deed or By-Laws shall be in writing and shall be addressed to the Association or any Unit Owner, as the case may be, at the Mailing Address for the Association as published by the Tennessee Secretary of State; or the Principal Office Address as published by the Tennessee

Secretary of State; or the address for the Association Registered Agent as published by the Tennessee Secretary of State. The Association may designate a different address or addresses for notices to it by giving written notice of such change of address to all Unit Owners. Any Unit Owner may designate a different address for notices to him by giving written notice to the Association. **Non-Occupant Unit Owners shall provide a current mailing address to the Association for all notices.** Notices addressed as above shall be deemed delivered when mailed by United States registered or certified mail, or when delivered in person with written acknowledgment of the receipt thereof.

Upon written request to the Board, the holder of any recorded mortgage or trust deed encumbering any Unit shall be given a copy of all notices permitted or required by this Declaration to be given to the Owner or Owners whose Unit is subject to such mortgage or trust deed.

Section 14. Severability. If any provision of this Declaration or By-Laws, or any section, sentence, clause, phrase, word, or the application thereof in any circumstance, is held invalid, the validity of the remainder of this Master Deed and the By-Laws and of the application of any such provision, section, sentence, clause, phrase, or word in any other circumstances shall not be affected thereby, and the remainder of this Master Deed of the By-Laws shall be construed as if such invalid part was never included therein.

Section 15. Captions. The captions herein are inserted only as a matter of convenience, and in no way define, limit or describe the scope of these provisions or the intent of any provision hereof.

Section 16. Gender. The use of the masculine gender in this Master Deed and in the By-Laws shall be deemed to include the feminine gender and the use of the singular shall be deemed to include the plural whenever the context so requires.

PLAT NOTES

- The purpose of this plat is to establish a horizontal property regime for 27 units including common area and limited common elements and recording of the MWD going unit easements as shown.
- In Tennessee, it is a requirement per "The Underground Utility Damage Prevention Act" that anyone who engages in excavation must notify all known underground utility owners, no less than three nor more than ten working days of their intent to excavate. A list of these utilities may be obtained from the County Register of Deeds. Those utilities that participate in the Tennessee One Call system can be notified by calling toll free 1-800-351-1111.
- Underground utilities shown were located using evidence from the respective utility companies. The existence or non-existence of the utilities shown and any other utilities which may be present on this site or adjacent sites should be confirmed with the utility owner prior to any excavation.
- It is the responsibility of each builder to design and construct a suitable grading and drainage scheme which will convey surface water, without ponding in the lot or under the house, from his structure to the drainage system constructed by the subdivision developer.
- Parcels may be subject to additional easements, and/or restrictions, by record or prescription, that a complete title search may reveal.
- Public utility and drainage easements where shown hereon are intended to indicate an easement for construction, operation, and maintenance of public utilities and drainageways, including, but not limited to, sanitary sewers, forcemains, water lines, telephone signal conduits, electric conductors, drainage pipes, and natural gas lines.
- The plat creating Lots 4 and 8 of the Regal Square Subdivision, on which this horizontal property regime is located, is recorded in Plat Book 42, Page 186.
- Under the current adopted plumbing code, the city of Murfreesboro requires the minimum floor elevation (M.F.E.) to be set at or above the top of casting elevation of the nearest manhole that is upstream of the sewer service connection. As an alternative, the homeowner shall install a backwater valve per the plumbing code and execute and record a release of indemnification against the city of Murfreesboro with regards to the sanitary sewer connection. The builder and/or homeowner shall be responsible for compliance with this requirement.

EXHIBIT "C"
BY-LAWS OF
VILLAS AT REGAL SQUARE
HOMEOWNERS ASSOCIATION, INC.

ARTICLE I
MEMBERS (UNIT OWNERS)

Section 1. Eligibility. The members of Villas at Regal Square Homeowners Association, Inc. ("Regal Square" or "Association"), a mutual benefit unincorporated association, shall consist of the Unit Owners of the property known as Regal Square located at Murfreesboro, Rutherford County, Tennessee (the "Property"). If a Unit Owner is a trust, then the member shall be a beneficiary of such trust, and if a Unit Owner or such a beneficiary is a corporation or partnership, the member may be an officer, partner, employee or authorized agent appointed by resolution of the board of such corporation or partnership, of such Unit Owner or beneficiary.

Section 2. Succession. The membership of each Unit Owner shall terminate when he ceases to be a Unit Owner, and upon the sale, transfer, or other disposition of his ownership interest in the Property, his membership in the Association shall automatically be transferred to the new Unit Owner succeeding to such ownership interest.

Section 3. Regular Meetings. The first regular meeting of the Unit Owners (the "First Meeting") may be held, subject to the terms hereof on any date, at the option of the Board; provided, however, that the First Meeting shall be held not less than ten (10) calendar days, nor more than one hundred twenty (120) calendar days after recording of the Master Deed. Subsequent to the First Meeting there shall be a regular annual meeting of Unit Owners held each year within fifteen (15) calendar days of the anniversary of the First Meeting. All such meetings of Unit Owners shall be held at such place in Rutherford County, Tennessee, and at such time as specified in the written notice of such meeting which shall be delivered to both Unit Owners at least ten (10) calendar days prior to the date of such meeting. At the discretion of the Board and subject to the same notice, quorum, proxy, voting and all other requirements within these By-Laws and Tennessee Law, annual meetings of the Association may be conducted by

virtual means to include but not limited to Zoom Video Communications, Go to Meeting, RingCentral or any other virtual or electronic medium as long as the identity of each Member may be authenticated and the vote of each Member at such meeting can be verified as being cast by such Member.

Section 4. Special Meetings. Special meetings of Unit Owners may be called by the President or by a majority of the Directors of the Association, or by a majority of Unit Owners entitled to vote at such meeting. Special meetings shall be called by delivering written notice to all Unit Owners not less than ten (10) calendar days prior to the date of the meeting, stating the date, time and place of the special meeting and the matters to be considered. At the discretion of the Board and subject to the same notice, quorum, proxy, voting and all other requirements within these By-Laws and Tennessee Law, special meetings of the Association may be conducted by virtual means to include but not limited to Zoom Video Communications, Go to Meeting, RingCentral or any other virtual or electronic medium as long as the identity of each Member may be authenticated and the vote of each Member at such meeting can be verified as being cast by such Member.

Section 5. Delivery of Notice of Meeting. Notices of meetings shall be delivered either personally or by mail to Unit Owners at the addresses given to the Board by Unit Owners for such purpose, or to a Unit Owner's unit if no separate address for such purpose has been given to the Board. It shall be the responsibility of each Member to provide an accurate mailing address to the Association. Electronic mail ("email") delivery of such notice shall be an acceptable means of sending notice of any such meeting if the Board or the Association's property manager can reasonably rely upon the email address provided to it by each Owner to whom such notice is being emailed, and the email transmission is not returned to the Board or Association property manager as undeliverable.

Section 6. Voting. Each Unit shall have one (1) vote. If any Unit Owner consists of more than one (1) person, the voting rights of such Unit Owner shall not be divided but shall be exercised as if the Unit Owner consisted of only one (1) person in accordance with the proxy or other designation made by the persons constituting such Unit Owner. In the event of disagreement among such persons and an attempt by two (2) or more of them to cast such vote,

such persons shall not be recognized, and such vote shall not be counted. The Developer may exercise the voting rights with respect to Units owned by it.

Section 7. Quorum. A quorum of Unit Owners for any meeting shall be constituted by Unit Owners represented in person or by proxy and holding ten (10%) percent votes entitled to be cast at such meeting.

Section 8. Majority Vote; Withdrawal of Quorum. When a quorum is present at any meeting, the vote of the holders of more than fifty per cent (50%) of the percentage values of those votes entitled to be cast of Members qualified to vote and present in person or by proxy, shall decide any question brought before such meeting, unless the question is one upon which by express provision of the Master Deed, the Charter of the corporation or these By-Laws, a different vote is required, in which case such express provision shall control. The Members present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of Members leaving less than a quorum.

Section 9. Proxies. At all meetings of Members, each Member may vote in person or by proxy. All proxies shall be in writing and filed with the Secretary prior to the call of order to any meeting for which such proxy will be used. Proxies may be transmitted by electronic mail ("email") to the Secretary or the Association Manager provided that any such proxy transmitted by email shall either set forth or be submitted with information from which it can be determined that the email was authorized by such Member. A copy, email or other reliable reproduction of the proxy may be used in lieu of the original proxy, provided that the copy, email or other reliable reproduction shall be a complete reproduction of the entire proxy. Every proxy shall be valid for no more than eleven (11) months from the date of the appointment unless otherwise indicated upon such proxy; all proxies shall be revocable and shall automatically cease upon conveyance by the Member of his Unit. Only Members of the Association may be appointed to serve as the proxy for another Member.

Section 10. Eligibility to Vote. Such budget shall take into account the estimated common expenses and cash requirements for the year, including, but not limited to, salaries, wages, payroll taxes, legal and accounting fees, working capital fund, supplies, materials, parts, services, maintenance, repairs, replacements, landscaping, insurance, fuel, power, and all other common expenses. To the extent that the assessments and other cash income collected from Unit Owners during the preceding year shall be more or less than the expenditures for such preceding year, the surplus or deficit, as the case may be, shall also take into account the estimated net available cash income for the year from the lease, operation or use of the Common Elements. The annual budget shall provide for a reserve for contingencies for the year and replacements, in reasonable amounts as determined by the Board.

Section 2. Assessments. The estimated annual budget for each fiscal year shall be approved by the Board, and copies thereof shall be furnished by the Board to each Unit Owner, not later than thirty (30) calendar days prior to the beginning of such year. On or before the first day of the first month and of each succeeding month of the year covered by the annual budget, each Unit Owner shall pay, as his respective monthly assessment for the common expenses, one-twelfth (1/12) of his proportionate share of the common expenses for such year as shown by the annual budget. In the event that the Board shall not approve an estimated annual budget or shall fail to determine new monthly assessments for any year, or shall be delayed in doing so, each Unit Owner shall continue to pay each month the amount of his respective monthly assessment as last determined. Each Unit Owner shall pay his monthly assessment on or before the first day of each month to the Managing Agent or otherwise as directed by the Board. No Unit Owner shall be relieved of his obligation to pay any assessment by abandoning or not using his Unit, the Private Elements, the Common Elements, or the Limited Common Elements, or for the failure of the Association and/or Board to undertake any actual or perceived action or function required by it, or for any other reason.

Section 3. Partial Year or Month. Commencing with the date of occupancy of his Unit, each Unit Owner of newly developed units, shall pay his assessment for the following month or fraction of a month, which assessment shall be in proportion to his respective ownership interest in the Common Elements and the number of months and days remaining of the period covered by the current annual budget, and which assessment shall be computed by the Board.

Section 4. Annual Report. Within ninety (90) calendar days of the end of each calendar year, or as soon thereafter as practicable, the Board shall cause to be furnished to each Unit Owner a statement for such year, showing the receipts and expenditures and such other information as the Board may deem desirable.

Section 5. Supplemental Budget. In the event that, during the course of any year, it shall appear to the Board that the monthly assessments, determined in accordance with the estimated annual budget for such year, are insufficient or inadequate to cover the estimated common expenses for the remainder of such year, then the Board shall prepare and approve a supplemental budget covering the estimated deficiency for the remainder of such year, copies of which supplemental budget shall be furnished to each Unit Owner, and thereupon a supplemental assessment shall be made to each Unit Owner for his proportionate share of such supplemental budget.

Section 6. Expenditures. Except for the Management Agent described in Article II, Section 9 (c) hereof and expenditures and contracts specifically authorized by the Master Deed and By-Laws, the Board shall not approve any expenditures in an amount in excess of ten (10%) percent of the annual budget for the then current year, unless required for emergency repair, protection or operation of the Common Elements or Limited Common Elements, nor enter into any contract for more than three (3) years, without the prior approval of a majority of Unit Owners.

Section 7. Lien. It shall be the duty of every Unit Owner to pay his equal share of the common expenses as provided in the Master Deed, and as assessed in the manner herein provided.

If any Unit Owner shall fail or refuse to make any such payment of assessments when due, such delinquent payment shall be subject to a late charge in an amount established by the Board and written notice of such provided to all Unit Owners, and such delinquent payment together with interest at the rate of Fifteen (15%) per cent per annum. Such delinquent payment, together with penalty, interest, costs and reasonable attorney's fees, shall constitute a lien, as provided in the Act and the Master Deed, enforceable by the Board, on the interest of such Unit Owner in the Property.

The Association, or its successors and assigns, acting through the Board or its agents, shall have the right to maintain a suit to foreclose any such lien, and there shall be added to the amount due the costs of said suit and other fees and expenses, together with legal interest, costs and reasonable attorney's fees to be fixed by the court. Furthermore, if any Unit Owner shall fail or refuse to pay when due, his proportionate share of the common expenses, and such Unit Owner withholds payment thereof after demand by the Association in writing setting forth the amount claimed, the Association shall have the right to possession of such Unit. The Association, acting through its Board, shall have the authority to exercise and enforce any and all rights and remedies as provided for in the Horizontal Property Act, the Master Deed, or these By-Laws, or as are otherwise available at law or in equity, for the collection of all unpaid assessments.

Section 8. Records and Statement of Account. The Board shall cause to be kept detailed and accurate records in chronological order of its receipts and expenditures affecting the Common Elements, specifying and itemizing the common expenses incurred. Payment vouchers may be approved in such manner as the Board may determine.

The Board shall, upon receipt of fifteen (15) days written notice to the Association and upon payment of a reasonable fee, furnish to any Unit Owner a statement of his account setting forth the amount of any unpaid assessment(s) or other charges due and owing from said Unit Owner.

Section 9. Discharge of Liens. The Board may cause the Association to discharge any mechanic's lien or other encumbrances which in the opinion of the Board may constitute a lien against the Property or the Common Elements, rather than a lien against only a particular Unit. When less than all the Unit Owners are responsible for the existence of any such lien, the Unit Owners responsible shall be jointly and severally liable for the amount necessary to discharge the same and for all costs and expenses, including attorney's fees, incurred by reason of such lien.

Section 10. Holding of Funds. All funds collected hereunder shall be held and expended for the purposes designated herein, and (except for such special assessments as may be levied hereunder against less than all the Unit Owners and for such adjustments as may be required to reflect delinquent or prepaid assessments) shall be deemed to be held for the benefit, use and account of all the Unit Owners in proportionate amounts.
